President's Message**January 2017**

Happy New Year to all members and families of Central Connecticut Region of AACA. Please welcome me as your new president to serve all of the membership and help guide the 2017 Board of Directors. I'm looking forward to an exciting new year ahead with some new ideas and helping the club continue to do what we do best.

Looking back to last month, we held our annual pizza party at the Elks Club in Hartford on Thursday December the 8th for the election of our new officers. Welcome John Bieback as our new vice president and Travis Cook will serve on the board of directors. We all thank him for his past 3 years serving as President. Joel Pear has decided to resign from the board of directors for personal reasons. Thank you for your service Joel! Please keep John Rogers in our prayers for him to recover soon, a long-time dedicated member of our board. All other officers and board members will remain the same for 2017. Please reach out to us if you would like to join our board, and be part of a great group of members who make our annual activities a success. All and all, another great gathering at are annual pizza party for election of new officers.

Our December membership meeting at F-40 Motorsports, with Wayne Carini as our host, was **one major successful event I might say!** Thank you CCR member Nick Nesci for your efforts in setting up this event. We had a very large attendance with close to 60 guests. What a great pleasure to listen to Wayne's stories and his past experiences in the pursuit of "Chasing Classic Cars"! Happy New Year Wayne and we thank you again from your friends at CCR/AACA.

We are starting to fill in our 2017 calendar of membership events and still have a few open meeting dates. Please come forward and suggest a place of interest automotive related for a visit for a club meeting. Actually, anything you can think of that would be a fun place to visit and all members would enjoy.

Speaking of new places to visit!

Thomas Hooker Brewing Company of Bloomfield has opened their doors for a plant tour on Saturday morning January 21st 2017 at 10:00 am. What a great way to start the year off, learning how one of the greatest craft beers of Connecticut is being produced. Samples and an educated tour should be enjoyable. Hope to see there!

Side notes:

The position of club historian is still open. Please step forward if this would be of interest to you?

Please send in your 2017 club dues to Fred Glabau, you know the routine. We want to include you in our annual roster of members and uphold our obligation to provide our roster to AACA in beginning of this year, Thanks again and please keep an eye out for enrolling your friends and anyone that be interested in joining a great and active antique automobile club.

Board member meeting, first Tuesday of each month. **I invite you all to come and attend, come see what we do!** It's fun and sometimes a good social hour on how we put it all together. It can be intense, but also very productive!

Our next meeting will be:

**Thomas Hooker Brewing Co.
16 Tobey Road, Bloomfield, CT 06002
Saturday January 21st 2017 at 10:00 am**

Happy New Year to all! God bless you!

CCR member Doug Fernandez is featured in the February 2017 issue of Hemmings Classic Car. It's a great story about Doug and Judy's cross-country trip in their 1934 Packard 1104 Super Eight Club Sedan that Doug restored himself. The trip started in Times Square, New York and followed the Lincoln Highway to the Golden Gate Bridge in San Francisco. The Packard was one of 19 cars out of the 58 that started that made the trip without needing repairs. Pick up a copy today to enjoy the whole story.

CCR member Bob Hand was featured in the November 2016 issue of Mustang Monthly magazine with his special edition 1972 Ford Mustang Sprint fastback which he restored himself. While the issue is no longer available on the newsstand, the article is available on www.mustang-360.com. Click on the red menu box and select Articles by Generations, 1964 – 1973 Mustang, scroll down to "Special Edition 1972 Ford Mustang Celebrates the Olympics", dated August 19, 2016.

Conventional marketing wisdom dictates a young man will not buy
an old man's car but an old man will buy a young man's car.
